MINNESOTA STREETCAR MUSEUM

Streetcar Camp 2018

Streetcar Camp

for kids from 6 to 11
Thursday, August 9
9 AM to 1 PM
Tuition $49

At the Minnesota Streetcar Museum's Streetcar Camp, children will explore our historic streetcars from top to bottom. Working with experienced Museum members, they'll see first-hand how streetcars operate. We'll examine air brakes to learn how air pressure is used to stop a twenty-ton trolley. We'll see how the controller regulates speed. We'll look at rail and track switches, electrical circuits, the overhead wire system, and more. Then each child will have the unique opportunity to climb into the Motorman's chair and run the streetcar down the track. If your child loves streetcars, this will be a day they will never forget.

Drop off your child at the Linden Hills Station, 42nd and Queen Avenue South, by 9 AM Thursday morning. (If the weather presents a problem, Camp may be rescheduled to Friday, August 10; you'll be contacted by phone and email.) Each child should bring a bag lunch with their name on it. Bottled water will be provided. Pick-up will be at the Station at 1 PM. That will also be a good time to take pictures.

Enrollment is limited and will be on a first-come basis. For additional information please contact Rod Eaton at *rpeaton@comcast.net* or 763 576 0608.

Make checks payable to: Minnesota Streetcar Museum
Mail enrollment to: Rod Eaton, 11201 Red Oak Court N, Champlin, MN 55316
