

MINNESOTA STREETCAR MUSEUM
OPERATIONS DEPARTMENT
Excelsior Streetcar Line

OPERATIONS AND SAFETY BULLETIN
NUMBER 23E - 1

EFFECTIVE DATE: MARCH 19, 2023
CANCELLATION DATE: IN EFFECT UNTIL RESCINDED
SUBJECT: OPERATION OF ALL STREETCARS IN THE
EXCELSIOR CARBARN YARD

TO: Foremen and Operators, Excelsior Streetcar Line

1. The Foreman is the only crewmember authorized to operate a streetcar within the ESL carbarn yard. The ESL carbarn yard is defined as all track leading from the mainline switch into the yard lead with two left-hand switches, and all three yard tracks including the tracks inside the ESL carbarn. Track #1 is defined as the track nearest the ESL mainline with the other two tracks numbered 2 and 3 in a southward direction.
2. While operating a streetcar within the ESL carbarn yard, Foremen must observe the position of the switch points to ensure that the switch is correctly set for the track onto which the streetcar should go. After determining that the switch is set correctly, the streetcar can then proceed.

BRUCE GUSTAFSON
General Superintendent
